## CHECK THE PROVIDER'S REPUTATION

Every good online service should have features which make you feel it's safe to buy from the provider.

We call such features customer (your) door codes

What are they?

# MY DATA SPACES

SELECT WHAT YOU PREFER:

Features which give you a bigger say  
in controlling your data

Features which enable you to efficiently  
resolve your disatisfactions with the provider

[BLANK]
